

All audio files and plugins available for download via 99Sounds are royalty-free to use in both personal and commercial projects.

## **RIGHTS**

You may use the audio files and plugins downloaded from 99Sounds in any number of personal and commercial projects for yourself or a client. You may modify audio files according to your requirements and use them for creative purposes like game development, YouTube videos, film scores, music production, podcasts, and more. No attribution or link back to 99Sounds is required. However, any credit or any mention of 99Sounds in your project will be much appreciated.

## **PROHIBITIONS**

You do not have the right to sell, sublicense, stream, or redistribute (even for free) the content downloaded from 99Sounds on its own or as a separate attachment from any of your work. If you wish to promote the 99Sounds content on your website, you must link back directly to the product page on 99Sounds where the users can find the download link and the related information about the product.

## **DONATIONS**

Almost all pages on 99Sounds will include a link to donate the sound designer who created the product. This step is optional but very much appreciated, as it helps the sound designers who are offering their work for free download.
